

We provide an online gift voucher application and fulfillment service to luxury hotels and resorts.

*Together* business

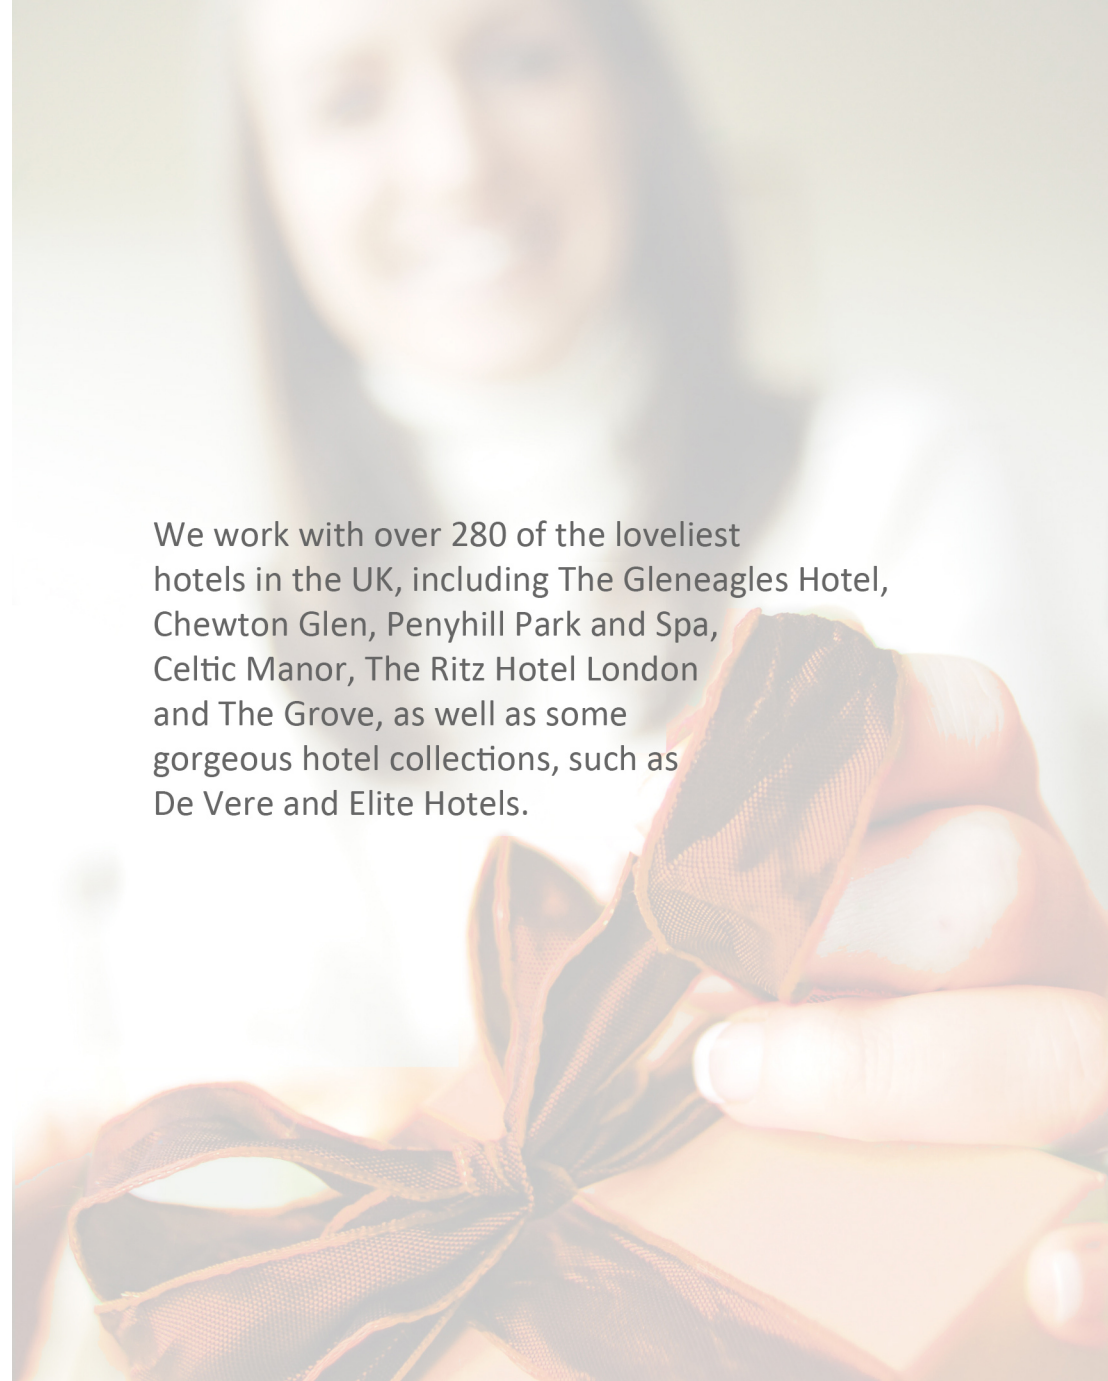

SK Chase has gained a reputation for being experts in the online gift voucher market, with years of experience working with luxury hotels, resorts and collections.

Our gift voucher application has evolved to accommodate the specific needs of hotels, enabling our clients to sell gift vouchers through their own websites and providing the opportunity to increase income, whilst raising awareness of their brand.

User-friendly and flexible, our application is an efficient and accessible system, for both hotels and purchasers of gift vouchers.

Our comprehensive and professional service takes care of every aspect of the gift voucher process, including online tracking and fulfillment.

We work with over 280 of the loveliest hotels in the UK, including The Gleneagles Hotel, Chewton Glen, Penyhill Park and Spa, Celtic Manor, The Ritz Hotel London and The Grove, as well as some gorgeous hotel collections, such as De Vere and Elite Hotels.

- SK Chase creates flexible online gift voucher catalogues, available directly to customers via the hotels' own website (fully matching the online branding) providing **fluidity**.
- We partner with the payment gateway and offer risk management support, giving our clients **security**.

- We print our hotel clients' vouchers onto their own branded stationery (usually including a wallet or presentation box) and send them directly to their customers within 24 hours of purchase, providing **consistency**.

- The system also generates electronic vouchers.

- Our system provides all the tools needed to track gift voucher sales, enabling our hotel clients to collect valuable marketing and financial information; providing **control**.
- We have a service delivery team on hand, ready to **support** hotel staff.
